Designed for iPad

University of Miami student made

Moonlight Flight

You are an astronaut on a trip across the universe, releasing trapped energy back into being and grooving to an endless mix for lo-fi beats.

NERDlab@UM

Unsavory: Pandemic Edition

Make tacos for minimum wage.
When you get sick, try to hide it so
that you can keep your job as long
as possible to make ends meet.

You : A Very Meaningful Game

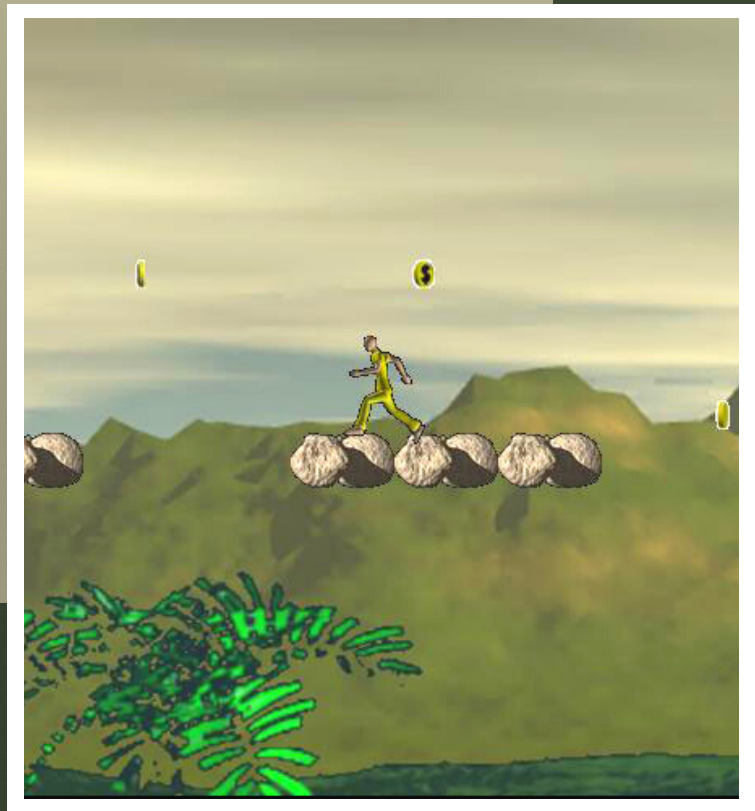

Using the player character You, the player is both making meaning out of nonsense and finding meaning where it is absent.

Professor Lindsay Grace
School of Communication

Levity

Unlike many games which encourage players to collect items, anything the player collects in Levity weighs them down.
